

A SUCCESS STORY: PLANT MANAGER IN SERBIA PROVIDED BY LUDWIG HEUSE INTERIM AS A VISION FOR LEADERSHIP EXCELLENCE

QUOTE OF THE CLIENT: “The Interim Plant Manager Serbia managed the turnaround of our Serbian location in an exemplary manner. He build on and build up strong ties with regional functions. The Interim Manager was not afraid to scrutinize the former culture, in which problems remained hidden and local. Controversially, he was not afraid to bring shortcomings to the surface, discuss them openly with higher levels, at the same time providing solutions to the problem cause – never coming empty handed and assuming full accountability for the situation.”

QUOTE OF HUMAN RESOURCES MANAGER EMEA: „Vision for Leadership Excellence as a guideline for upcoming leadership development in Europe. Lead by example by open communication and staying accountable for the shortcomings and successes in the EMEA region”.
